Subject: Nix Film

Thanks for the work on the Nix film. My guess, based on what he told me was his limited investigation of the matter, is that Kevin Walsh will not have much to share with us. I have a call into him for the information - I've been requesting the same since July 7. I also wrote to Mr. Kistenmaker some weeks ago on this matter and am awaiting his reply. I spoke to Groden about this in early July, he didn't have much to add except that he does not think the version at NARA is the "out of the camera" print. I'm also trying to get Jim Lesar to give me whatever information he may have about this - he represented Ms. Jackson at some point about this.
