Subject:	CIA records
Body:	We've agreed to send boxes 1-3 of the Oswald files back to CIA for the next week. Barry will send someone over tomorrow morning to pick these up, including taping them, but would like us to be sure that the correct folders are back in the boxes in the right order. Could you locate the boxes these files came in (they are CIA retention boxes and should be in the scif somewhere) and then, with the help of some CIA team members, put the folders back in them? I would suggest working with Bob or Michelle. Barry will send his courier over when he hears from me that we're ready.Thank you.
