Subject: Review of the Wegmann and Lyon Garrison docs.

Joe and I realized late yesterday that we have been doing the same work - reviewing these files (we've both been through Wegmann and haven't started Garrison yet) for the same purpose - looking for additional sources of New Orleans based records and leads for the same. I told David last week I would do this work in preparation for my next record gathering trip to New Orleans. Joe and I agreed that since he was one box ahead of me in the review, he would complete the memo he was writing for Jeremy and would copy me on the same. I gave Joe a list of names, etc. that I am searching for leads on. Hopefully the box Joe reviewed before he was aware of my work in this area did not contain the needed information. In the future it would be more efficient to discuss and coordinate efforts such as this, especially when private sources of records are being reviewed/sought, to eliminate wasted time and effort.
