Subject: Postage procedures
When the Board concludes its work this coming week I'd like to speak with you and Tracy to set up procedures for 1) access to the postage meter after 5:00 pm; and 2) afixing postage to mail that we want returned to us (when I include a self-addressed, stamped envelope to ensure I get an affidavit, etc. back). Up to this point I've been using my stamps on mail sent after 5:00 pm and on SASE, but that's not a realistic solution, at least not for me!
