**Subject:** Jeremy's Two NSA Letters  
Late Friday, Jeremy handed me "final corrections" on two NSA letters which he would like to have presented to David for signature on Tuesday, August 29th. I don't know what drive they are on...I asked him that and he just told me to give the marked-up paper copies to you. Sometime today would you please enter the corrections Jeremy has marked, and then present paper drafts to me? Chris and I will proofread them (every "t", "i", and citation, as directed by Jeremy) and then return to you one final time for any clean-up prior to forwarding to David for signature on Tuesday. Chris and I will not be making any substantive changes at all...only doing final proof. Thanks.
