Subject: David Montague

He just called. He gave me all of his residences for college to be sure his paperwork was complete. August 1984- May 1985 Thurman Hall, room 224, this was a dormitory on the Moorhouse College campus. May 1985-August 1985 - lived with his parents at their home, 902 Linwood Street, West Hyattsville, Md (this is where he lived growing up.) September 1985-March 1986 - White Hall, third floor, this was a dormitory on the Moorhouse College campus. March 1986-May 1986 - moved to a new dormitory room in Dubois Hall (he thinks it was room 308) also on the college campus. May 1986-August 1986 - lived at home at the Linwood Street address. September 1986-May 1987 - lived at the West End Apartments dorms on the college campus. May 1987-August 1987- back home on Linwood Street. September 1987 through August 1988 - lived at Cherry Hill Apartments, apt. F5, Buford Highway, Atlanta, Georgia (privately owned apartments.) Did two internships in this year of college. August 1988 through May 1989 - lived at Valley Brook Apartments, thinks the address was 3455 Valley Brook Place, Decatur, Georgia. This was a privately owned apartment building where he lived in his final year of college.
