Subject: R-drive to E-drive and editing
Thanks for your E-Mail of earlier this week. Alas, I am embarrassed to state that, having tried and failed, I apparently don't remember how to effectuate a transfer from R-drive to E-drive so I can edit the ARRB Record Tracking Chart. Not particularly time-sensitive, but if you could help me with it before the close of business Thursday, that would be great. Many thanks.
