Subject: Response to Administrative Questions

1. Pay Stub: a. "Current Address on file" is correct. b. State withholding is for the correct state.2. Previous Government service: My service comp. date appears to be two days off; however, there were remarks typed on the SF-50B which said: "S.C.D. will be adjusted when O.P.F. received." The S.C.D. that our personnel office listed appears to be 2 days off (details follow:my S.C.D.prior to resignation from my last job was 8-03-75; my latest SF 50-B records "two days lost service" as a result of my resignation, which should have made my adjusted S.C.D. 8-05-75,however, Linda Jacobs has listed it as 8-07-75 instead). There is plenty of time to resolve this small matter. If not resolved within a reasonable time, I will prepare a memo for you to send over to Linda Jacobs.3. Sick Leave is my main concern. I want my previously accrued HUGE amount of sick leave transferred/credited ASAP. My previous balance was approximately 985 (or 965?) hours...and since my blue pay stub presently shows only what I earned during my first pay period here, my present balance is only 4 hours! I will feel much better when my old sick leave total is credited following receipt of my O.P.F. from my old personnel office.4. QUESTION: What is the "OASDI" deduction on the pay stub? Is that what was called "FICA" on the pay stub from my previous job?END
