**Subject:** My whereabouts  
FYI - I'll put this in Where in the World, but so you know, I'll be at FINCEN tomorrow morning with Dave Montague and David (and Jeremy) from 8:30 until around lunch time. I will not come into the office first. I'll be here all tomorrow afternoon. I'll be at Archives II all day Friday with Dave Montague. I will come to the office first, but will leave again by 7:45 am to catch the 8:00 am Archives shuttle bus. I will be back late in the afternoon - probably not until at least 5:45 pm. I plan to be here all day, each day, next week.
