I talked to my friend Colleen, who also lives in my complex, and she told me, for sure, that the office is only open the first and third Saturday of every month from 9-12, so it won't be open again on the weekend until the 16th. I know it isn't very user-friendly. You should check the paper, though, because usually, the owners advertise rentals in the Post. Have you ever been there before? You might want to drive around and check it out this weekend to see if it is really what you have in mind, even though you won't be able to go to the office. It is off 395 at the Shirlington/Quaker Lane exit, directly on the east side of the highway. Fairlington (a community similar to ours, but a little newer) is directly across Quaker Lane. For purposes of locating rentals in the Post, Fairlington is in Arlington and Parkfairfax is in Alexandria.
