Subject: several things

1) Please send me an e-mail of the various documents you found at Archives II on Friday. I'll incorporate that into my reports for the various investigative issues the docs. pertain to.2) Beginning this week, please send me via email, by the close of business each Thursday, a brief list of what you did for the week. I will incorporate your work in the "weekly investigative update" that I give David in writing each Friday morning. I prefer to get bullet-type statements, for example:* Conducted telephone interview of John Jones concerning the current whereabouts of the Nix film (see Gum Shoe Issue 41.)* Spent all day Friday at Archives II with Anne reviewing autopsy photographs and Warren Commission exhibits. We reviewed the latter to determine the extent of original records pertaining to LHO already in the Collection.* Read the book "Case Closed" to familiarize myself with the overall issues of the ARRB.etc. etc. Just ask if you have any questions. When I'm travelling later in the month I'll ask you to prepare the weekly update. I'll show you how - please remind me.3) Let's meet at 9:00 am Tuesday to review the issues I want you to investigate and manage. Please review the files I gave you by then, and feel free to ask any questions.
