Subject: More Service Records

FYI...I inadvertently forgot to add you to distribution on this note yesterday. St. Louis has informed Anne that there is no "s" in "Hemming" after the "g", which is a good indicator of how mistakes become universal among researchers.To: Jeremy Gunn/ARRBcc: Dennis Quinn/ARRB, Christopher Barger/ARRB From: Douglas Horne/ARRB Date: 09/11/95 11:45:35 AMSubject: More Service RecordsAnne informed me today that St. Louis is now mailing the Hemming service record, and will very soon be able to process the excerpts we asked for in the other 8 cases.The person she spoke to about the Gerald Patrick Hemming, Jr. (with no "s"!) record said it looked "strange" to them, but wouldn't elaborate. As a consequence, we cannot wait to see it. By week's end we may have a much better handle on the I.D. card issue; i.e., whether the DD-1173 was only given out by the El Toro separation unit, or by other Marine Units as well. END
