Subject: macro for photo material accountability
chet...i wish to set up a spreadsheet macro within lotus notes so that i can perform an accountability audit for any material pertaining to photo, film, audio/video tape, etc...(about dealey plaza)...i know how to do spreadsheets in lotus 123, but since notes is so powerful i would love to do it directly in there if possible...please advise me as to the appropriate course of action so we can have a "sit-down" to make it happen...thanks!...dave
