Subject: New Orleans trip planning

I'm writing this now while I think of it. When I go to New Orleans at the end of the month (I'm leaving the afternoon of Tues. 9/26 and expect to be away through Friday 10/6, subject to change, of course) I'll need to "pre-ship" to myself some Federal Express shipping labels, envelopes, notebooks, etc. I will also be shipping the office lap top computer to myself at the hotel where I'll be staying. I already have the notebooks. In the next week and a half please assemble 30 Federal Express labels, the large size Fed Ex. envelopes, 30 of the clear plastic label pouches (the ones you attach to the envelopes or boxes and put the shipping labels into) and a large role of shipping tape (in case I need to tape boxes that I'll be shipping.) I'll also need a box to put all of this in. A box that holds copier paper should be plenty big. We can ship this out on 9/25 and it should be at the hotel waiting for me on 9/26. Thank you.
