Subject: JFK-ARRB.GOV registration

I have responded but you might also want to send this person a note about us. To: Chet Rhodesscc: From: starke @ unix.worldcom.com @ Internet @ WORLDCOM Date: 09/12/95 03:58:43 PM CDT Subject: JFK-ARRB.GOV registration It's been pointed out to me that you might not be able to get a *.gov domain, and may have to get JFK-ARRB.ORG instead. I'll include an excerpt from the official document on the subject in this message. Look through the specs and see what category describes your organization, and what it says. Also, I can send you the entire document if you'd like. I have sent in the registration, so we'll hear something eventually from them, but I don't want to waste time waiting for it if you're not going to get it. Sean A) Top-level entities (e.g., those with codes ending in 00 such as "1200 Department of Agriculture"), and independent agencies and organizations (e.g., "National Science Foundation and other non-indented listings unless prohibited below) as listed in this document are eligible for registration directly under .GOV. B) Autonomous law enforcement components of top-level entities (e.g., "Federal Bureau of Investigation", "Secret Service", "Coast Guard") are also eligible for registration. C) Cross-agency collaborative organizations (e.g., "Federal Networking Council", "Information Infrastructure Task Force") are eligible for registration under .GOV upon presentation of the chartering document and are the only non-FIPS-listed organizations eligible for registration under .GOV. D) Subsidiary, non-autonomous components of top-level or other entities are not eligible for separate registration. International organizations listed in this document are NOT eligible for registration under .GOV. E) Organizations listed as "Federally Aided Organizations" are not eligible for registration under .GOV and should register under .ORG or other appropriate top-level domain. F) Organizations subsidiary to "Department of Defense" must register under the ".MIL" domain via the Defense Data Network Network Information Center - contact registrar@nic.ddn.mil.
