**Subject:** Civil Rights Div. Records in JFK Collection  
Steve Tilley called me this afternoon. He said that the one box of Civil Rights Division records in the JFK Collection contains a lot more than two documents. However, the RIFs for all but two documents have numbers that begin "999-99999." He speculated that the disk(s) for these documents had somehow "gone haywire." I could find no "999-99999" RIFs in our Postponed, Open or Referred databases.
