Subject: FYI

Body: 1) New Orleans and Miami itineraryI'll have one to you by the COB tomorrow.2) "Petition" by medical research community. Jeremy mentioned it to me yesterday morning and said 80% of the requests are for non-federal records. He gave me a copy; I've reviewed it and will meet with Dennis and Doug this morning to discuss it briefly. I've asked Dave to sit in on that meeting as I want him up to speed on the issues it raises.
