Subject: update on Costea
The man who wrote to Hoover about LHO leafleting, etc. FYI-I'm working on finding him in the event we want to contact him about records. FINCEN couldn't find him but did find a lot of other people around the country with his surname.I spoke by telephone last week with the attorney for his former employer, Lykes Brothers Shipping Lines. They are headquartered in Tampa. I'll meet with the attorney when I'm in Tampa in a few weeks. Once they learned we had subpoena power they agreed to pull their old personnel records to get his DOB and SSN (these will make it easier for FINCEN to find him.)
