Subject: Computer Disk Project

As far as I can tell, you (Kevin and Tammi) responded simultaneously. Insofar as Chet advises that this is a no-more-than-two-person job, you two are our joint grand prize winners. Kevin, please (i) find out from Pat Shumate (or whoever else at the FBI can tell you) whether there have been any updates since we last got copies of all the disks, and (ii) get good copies of the handful of disks that the FBI gave us bad copies of last time (Chet can identify these for you).
