Subject: Visit to Archives II

Since you have the "Conn" on medical issues, I would like to ask your concurrence with the attached draft memo. If you support my desire to view these records, or do not object, then please let me know so I can then send the draft memo to Jeremy for approval (as required) before shooting it to Noelle for transmission to Steve Tilley. I am asking to see the HSCA transcript of the medical panel's interview of Dr. Ebersole, 2 Ebersole memos which he wrote concerning autopsy materials, HSCA interviews with Jenkins and O'Connor, and the first "military review" and inventory of autopsy materials from 1966. Please let me know by 10:00 Wednesday, if possible. Thanks.
