Subject: g:\press\
I talked to Chet about moving press related docs. from the g:\drive into the g:\press drive. I am going ahead with that today or tomorrow and wanted to give you a heads-up so you'll know where to look for documents. This will also eliminate the need to e-mail outgoing correspondence for processing.I'll begin with moving what I know are press files in the g:\drive, but I'll check with you to see if I miss any.I won't do anything on this until I know you've received this note.
