Subject: LHO X-Ray

Doug...I would like to discuss the Armstrong video with you & any pertinent info pertaining to my report below:"I spoke with Jim Marrs on 09/28/95 and he mentioned he has information regarding an x-ray. He refused to disclose the nature of the x-ray & said that he did not want to discuss the issue until he has completed his own investigation. I reviewed one of Marrs' videos "The Second Oswald", in which he painstakingly reveals a great deal about his research. On this tape, he mentions that he has recently come across x-rays of LHO's teeth while in the military. I believe that this may be what Marrs is referring to."
