**Subject:** g:\press  
I've moved some files from g:\ to g:\press (files that I know you created.) Throughout the next day or so I will be individually checking remaining files in g:\ to see if they belong in g:\press. If there are any that you know of that I may have missed, please let me know, but please don't take a lot of your time on this as I will find them eventually. Thanks.
