Subject: Mexico City photos
I would like us to obtain good copies of some photographs at Archives II in CIA Segregated Collection Box 16. According to Joe, there are approximately 164 photos (on contact sheets) from CIA coverage of embassies in Mexico City. If we can get high quality photocopies, that may be sufficient. Otherwise, I would like to make arrangements for some kind of photographic reproduction.Would you two put your heads together and come up with a good plan?
