Subject: Lesar submission to 10/11/94 ARRB hearing
I'm working on the tracking chart update project. During the 10/11/94 ARRB Hearing, there are references in Jim Lesar's testimony (and subsequent Q & A) which suggest Lesar submitted some sort of document/chart detailing various informational requests. Questions: 1) am I right, 2) does it exist somewhere in our files, 3) should I incorporate it (in whole or in part) into the tracking chart?
