Subject: USSS Interview of Marina re: Nagell on 1/18/64

FYI.To: Joan Zimmerman/ARRBcc: Joseph Freeman/ARRB From: Douglas Horne/ARRB Date: 10/12/95 10:28:28 AM
Subject: USSS Interview of Marina re: Nagell on 1/18/64Joan, I have told Joe that this item should definitely be included on the tracking chart.Rationale follows: Nagell (a former Army CIC person) claims to have: a. Intermittently surveilled Oswald for the CIA as a contract agent during 1962-3; b. Warned J. Edgar Hoover (by registered mail) about a September 1963 assassination attempt against JFK; and c. Been asked to kill Oswald by the KGB (in order to put a stop to the assassination by killing the scapegoat ahead of time).I have never heard of the supposed 1/18/64 interview of Nagell by the USSS. If you can confirm it happened, or have any way of identifying or finding a report of the interview, PLEASE LET ME KNOW. Reason: Jeremy has stated that "ARRB is going after Nagell"; i.e., will probably be deposing him and will certainly be trying to get documentation from him. I have already provided identifiers on him to Anne, and am now in the process of writing a long memo summarizing his many claims regarding the assassination (based, he says, on his personal knowledge). If we could locate this interview report, it may provide valuable information which could go into my memo. If ARRB deposes Nagell, my memo this subject would probably be a principal research tool for those preparing the deposition.
