Subject: Los Alamos and Nix film
If it would help them at all to locate the film and/or any correspondence, test records, etc. feel free to 1) ask Joe to run more HSCA database searches (copy Jeremy and me on any emails with the request) and ask Joe or whomever is next going to Archives II to get any records in the HSCA files; and 2) send them copies of anything of possible use, minus any HSCA internal routing slips.
