Subject: media source of records - lead
Please read my call report at issue 63, today's date with Frank DeBenedictis for information about possible records at a Florida TV channel. DeBenedictis will be at the COPA conference next week and may attend the public hearing on 10/23 here. If he attends I asked him to introduce himself, and I'll introduce you to him in case he can give you any of the work he's already done to find the film.
