Subject: Jose Rivera

Body: I have put a Jose Rivera file, obtained by Anne, on your desk. I have reviewed it briefly and put some tags on it. Please review the Adelle Edisen public contacts file maintained by Joe and see what she says about Rivera. Then look at the Rivera file to see if you can verify/disconfirm anything being said by Edisen. Coincidentally, Rivera was stationed at Fort Sam Houston, Tokyo, and New Orleans--although not at the same time as Oswald.
