Dave* Interviewed Charles Bronson's attorney John Sigalos, Esq. concerning any concerns or interests that his client may have before the Board makes its request for his film. Prepared a new sample of outgoing correspondence for Bronson based on additional research. (See Gumshoe Issue #62).* Interviewed HSCA photographic enhancement team member Dr. Donald Janney. Dr. Janney performed many tasks related to photographic analysis while employed at the Los Alamos Lab. (See Gumshoe Issue #41).* Checked on the possibility that the original Marie Muchmore film may be within NARA. They have several items pertaining to the film and I will visit to view this material, (See Gumshoe Issue #9).* Contacted JFK Historian Mark Oaks who has compiled 4 1/2 hours of edited video interviews of several assassination related individuals, (See Gumshoe Issue #9). He has agreed to donate a copy of the video to the Collection and will meet me on either Sunday or Monday morning because he will not be able to attend the Hearing. I will call Jeremy Gunn to ask about any restrictions.* I will be out of the office for two days this week on personal business.
