Subject: Something Remembered
Several years ago I took my mother to a doctor in Bethesda. Hanging on the wall in his office was a framed letter from Jackie Kennedy thanking him for "all you did for Jack." This doctor had at one time been associated with Bethesda Naval Hospital (probably at the time of the assassination). Have you run across the name in your research? Lewis N. Cahill, 5411 West Cedar Lane, Bethesda, 301-530-2338.
