DAVE - IS THIS AN ACCURATE REPRESENTATION OF WHAT OCCURED? I PUT THIS IN ISSUE 9 TO RECORD MY  
END OF WHAT HAPPENED. Dave Montague left me a voice mail message on 10/19 asking for guidance in how  
to handle an inquiry from Mark Oaks concerning copyright protection at NARA for his assassination research  
video.I attempted to speak with David and/or Jeremy before I left on 10/20 but was unable to speak with  
either. I called Dave (on annual leave) and left a message for him. I suggested Dave accept the tape from Oaks  
on a "review by ARRB staff" basis for now, with consultations with Steve Tilley, David and Jeremy to follow.On  
10/23 Dave told me Oaks gave him a copy of the tape at the COPA conference yesterday with the  
understanding it will only be used for research purposes by ARRB staff until an understanding is reached  
between NARA and Oaks concerning copyright restrictions. I asked Dave to check with Jeremy and David on  
the correct procedure for answering this question and similar questions by researchers with copyright  
restriction questions.
