I just read your interview report from Sunday night. Let's pick a time when we can both look at the video so that we know what it contains, what leads it might provide, etc. I'd like to do it as soon as possible after the Board leaves. If we split the video into two, 2+ hour sessions we could get through it quickly. Would your schedule allow you to do it tomorrow and Thursday at 1:30 for two hours each day? If so I'll reserve the conference room and the VCR for our use.
