Subject: Thanksgiving Friday
Some time ago I remember you or someone floating the idea of substituting the Friday following Thanksgiving for our Veterans Day holiday. Several team members have recently asked me what happened to the idea.No one wants to make the switch mandatory if some in the office don't want it, but it could be handy for some of us, particularly for those preparing for the November 13 Board meeting, who probably couldn't take Veterans Day off anyway--we'll need all the preparation time we can get once CIA gets its documents back to us on Nov. 7.
