Subject: NSA meeting on Friday
The NSA meeting is scheduled for 2:30 at Ft. Meade. Tracy, could you call Lisa, in the NSA General Counsel's office and give her David's info?I had signed Tim and myself up for artifact day in the afternoon on Friday. If it were easy to reschedule the artifacts for 1:00, Tim and I could do both events in the afternoon. Otherwise, we will need to withdraw from the p.m. showing.
