**Subject:** Muchmore Film  
I left early for Archives II. My meeting went well on Friday and I think you will find it very interesting. My report will be ready tomorrow morning. They keep all of the film that I saw at a constant temp of 25 degrees, so they had to let it thaw before I can see it today. I will meet you with the rest of the group at 2 p.m. I possibly have a meeting after our showing concerning the Muchmore Accession File.
