**Subject:** HSCA files  
Now that the HSCA files are being reviewed is there any chance you'll find social security numbers and/or dates of birth for any additional staff members or consultants? If so, please let me know because I'm still trying to put a complete list of these people together.Also - do you have any idea what is happening with the Church and Pike committee records? I'll need the SSN's and DOB's from those if we ever get access to them.
