Subject: Da Tapes

Dave, Kevin expressed an interest yesterday about watching The Men Who Killed Kennedy, the 5-episode set which you have custody of right now. Since you have my "loaner set" (I don't want to farm out my "original" also), could you make arrangements with Kevin to pass it to him at a time convenient to both of you...then when he is done, he can pass it back to you, if you aren't done with it yet! There is no rush in getting it back to me at all...it's just that when I have 2 copies of a program, I try not to loan out both...I keep one at home for insurance purposes. ENJOY. By the way, for both of you...on the Groden tape (Case for Conspiracy), which Tom Samoluk has, there is some very interesting material from about 45 min-1:15 min into the tape (KRON-TV in San Francisco interviewing Dallas doctors and Bethesda witnesses and asking them about the autopsy photos) which complements the 5-set "Men Who" tapes, and also complements the NOVA special from 1988. No one should watch the NOVA tape alone without also watching the KRON-TV excerpts from Bob Groden's tape...they are the reverse sides of the same coin.
