I gave Doug the two investigative files from your desk on Groden (Gum Shoe issue 14).Doug is looking into the matter of how many "bootleg" assassination photos exist and where they came from. He was not aware of the investigation I started on this matter in May. I didn't want him to have to re-do all the work I've already done. Doug will return the files when he is finished with them. If you need them in the meantime just ask him for them.
