**Subject:** Barry  
Barry just called again and said he and Ellie would both be by tomorrow, after checking with you on the best time. He will not have a formal document with him at that time, as he had hoped--apparently that would require the whole bureaucratic process of a DO sign off--but he and Ellie will be able to discuss talking points with you. These in turn should be communicated to the CIA team, so they can proceed with whatever review is possible at that point.
