Subject:	HSCA docs # 0006852 and 015052
Body:	I checked out both of these documents in the legislative vault. On HSCA # 0006852, 33 of the 54 forms have been sent to the Archives to be opened in full. I would guess that leaves us with the remaining 21 forms.On HSCA # 015052, the report must have been paginated incorrectly. If you read from page 4 to 6 it reads smoothly. I think we can blame this one on Leodis Matthews.
