I don't plan to respond to Pease about this at this time but wanted you to know about this if it has a place in your FBI records work. To: Anne\_Buttimer @ JFK-ARRB.gov @ Internetcc: (bcc: Anne Buttimer/ARRB) From: lpease @ netcom.com (Lisa Pease) @ Internet @ WORLDCOM Date: 11/07/95 10:47:37 AM CST Subject: -No Subject- Hello - we talked on the phone once when you called for Jim DiEugenio. I was reading about the conference in an online magazine called FAIR PLAY and saw that you had recently talked to Carlos Quiroga. I ran across an interesting FBI document just a couple of days ago that said a Quiroga (FNU) was in Mexico when the border was closed just after the assassination. According to one report, Quiroga claimed to have known about the assassination before it happened. In a second report, that claim was said to be untrue but the FBI informant then added that Quiroga said they arrested a "spy" in Dallas - meaning LHO. Is Quiroga talking? How much was asked of him? Lisa Pease----- If we will not fight for the truth now - when our President has been shot down in the streets and his murderers remain untouched by justice - it is not likely that we will ever have another chance.
