Please don't hesitate to call on me again if I can be of assistance. I am writing primarily to verify that we can exchange e-mail messages. Please send confirmation that I have reached you. I am sending a copy to David Marwell, since I know I have his e-mail address. I am pleased to hear that you are reviewing my earlier correspondence. Some of the material I sent, particularly things I wrote for a different audience, may not be as helpful as it could be in terms of focusing on the existence, relevance, or "assassination-relatedness" of particular records. Therefore, using an informal communication channel might be useful if you would like me to clarify or expand on what I wrote. I now have voicemail at my office number (510-642-6663), as well as an answering machine at home (510-525-1980). Paul
