Subject: 1241023010093 and 1241023010098
These were documents which were duplicates of "Red" documents on which the board did not vote. But since they were not on the consent agenda that Chris printed, you did not then open them in full following Tuesday's meeting. Just to be consistent, I marked them as "postponed in part" and "tabled". Of course that will be washed away when we unassign them from this meeting.
