**Subject:** Name day documents.  
As you and Mary and Christopher and I have discussed, name day is approaching. I estimate that over a hundred, and possibly several hundred documents, are slated for re-review at the December Board meeting. These documents should be identifiable by a re-review date of 12/1995 or 12/95. A macro or some other device which will search the database for these documents will be extremely helpful. Thanks.
