Subject: Draft Letters to Humes and Boswell
Here's the draft with your changes. I had purposely omitted calling this a depositon in order to appear less threatening, and perhaps get Humes talking more freely. I also wouldn't mention the subpoena in the first letter, but would be prepared to mention it in a telephone call if he hesitiates or requests one. I think the more comfortable he is with us the more he will talk. If you need more on this let me know.
