Subject: David Mantik
I called the Eisenhower Medical Center at Rancho Mirage today, and they gave me his office number: (619) 324-4591. He is on a sabbatical now, of 2 month's duration, and is reportedly about halfway through it. However, he checks into the office about twice a week to respond to messages, etc. I left a detailed message, and there is a chance he may return my call Monday or Tuesday, the next time they expect him to come into the office.
