Subject: Final Determination forms
I will soon (how soon, you may know better than I) have to do final determination forms for the roughly 200 HSCA payroll records processed at the October Board Meeting. My understanding is that these have to be kicked out one-at-a-time, which is OK with me. But, before I undertake that task, I wanted to make sure that there wasn't some magic way to "select" all of them at one time and have their forms kicked out en masse.
