Subject: Issue 37 - Dr. David Murrah
I've been writing and calling him all summer and fall about records he offered to us (he testified at the Dallas public hearing last year.) I just sent him another letter and asked him to call you if he has questions, etc. I put it on a 20 day tickler schedule. If you don't hear from him in that much time, and chances are you won't, please follow up with him by telephone until we get the records. Thanks.
