Subject: Gum Shoe Issue 66 - Jack Ruby's Defense Attorney's files

Body: We received a reply from Ruby attorney Joe Tonahill (I think you have the original, David. I put a copy in your in box, Jeremy, in case you hadn't seen it yet.) Tonahill gets to the Fifth Amendment issue quickly. I wanted you to be aware of this, Jeremy, as G.C. in case the Board decides to pursue this source of records. I've written again to the source of this lead, Attorney Carol Hewett, for any more detailed information she can provide on exactly what Tonahill has. Dave will let you both know of Hewett's response.
